PROFESSIONAL SUMMARY

Systems-minded operations professional with 3+ years designing, building, and running the technology infrastructure of a multi-site nonprofit — from Power Platform apps and Dataverse architecture to grant reporting, donor systems, and employee handbooks. Self-taught sole developer who also writes the SOPs. Known for building reliable, documented systems from nothing and keeping them running under real operational pressure.

CORE COMPETENCIES

Systems & Development: Microsoft Power Apps (Model-Driven & Canvas) · Dataverse · Power Automate · Power BI · SharePoint · Microsoft 365 Admin · JavaScript · Python · React · REST API integration · Supabase · Git / GitHub · Azure AD

Operations & Program Management: Nonprofit operations · SOP and policy development · Workflow automation · Employee handbook authoring · Case management systems · Process design · Cross-functional coordination

Data, Reporting & Compliance: KPI and impact reporting · Dashboard development · Data migration and cleaning · Field-level security · Privacy Officer duties · HIPAA-adjacent standards · Record auditing

AI & Automation: Prompt engineering · Custom MCP server development · Claude skill authoring · AI-assisted workflow design · Human-in-the-loop process design

PROFESSIONAL EXPERIENCE

Development Administrator

September 2022 – April 2026

William S. Davies Homeless Shelters, Inc.

Rome, GA

- Serve as sole systems developer, operations administrator, and Privacy Officer for a nonprofit operating two shelters (24 beds) on a 24/365 schedule.
- Built and maintained an enterprise-grade Microsoft Power Platform environment from scratch: 21+ JavaScript web resources, Model-Driven and Canvas apps, Dataverse tables with field-level security, and cloud flows handling intake, case management, donor records, and financial workflows.
- Designed and executed migration of 483+ Stripe payout records with a 4-tier matching algorithm, achieving 89.7% auto-match on bank transactions and eliminating manual reconciliation.
- Authored the organization's full Operations Manual and Employee Handbook, standardizing policies and workflows across shelter operations, HR, and administration.
- Implemented privacy-segmented data architecture enabling HIPAA-adjacent operating standards without enterprise licensing; served as organizational Privacy Officer.
- Led the organization's 20th anniversary mission rebranding entirely: designed and implemented new logo, brand identity, and website reflecting the organization's restorative journeys vision; covered in local press.
- Recruit, onboard, and coordinate shelter volunteers including Bonner Scholars, corporate and group volunteer teams, and school service groups; serve as the organization's primary volunteer-facing contact.
- Oversaw shelter budgeting and financial reconciliation; served as primary liaison with outside accounting team.

Community Resource Navigator

October 2021 – May 2022

United Way of Rome / Floyd County

Rome, GA

- Built and maintained the organization's resource database tracking community needs trends; data informed United Way's housing strategy and partner programming decisions.
- Operated a housing-focused crisis helpline connecting callers with rent assistance, utility help, eviction support, and shelter access.

Programs Coordinator

June 2019 – September 2021

Rome Floyd Chamber

Rome, GA

- Planned and produced the Chamber's annual Business Expo at the Forum River Center: a sold-out two-day event with 100 booths and 80 vendors; managed reservations, sponsors, marketing, and on-site logistics.
- Supported the Rise and Thrive 2025 capital campaign (\$2M goal, ~\$1.7M raised in quiet phase) directly under the CEO.
- Conceived and produced the Chamber's first Resources and Opportunity for Minority Engagement (ROME) Business Conference; covered in local press.
- Contributed to a historic membership drive that brought the Chamber over 1,000 members for the first time; named by Chamber President as one of three staff credited for recruiting 100+ new members.

Receptionist

May 2017 – June 2019

Rome Floyd Chamber

Rome, GA

- Processed accounts receivable and payable; managed member records, deposits, and invoicing in ChamberMaster and Authorize.net.
- Prepared Board of Directors and Executive Committee meeting agendas and minutes.

SELECTED PROJECTS

- Stripe to Dataverse Migration — 483+ payout records, 4-tier matching algorithm, 89.7% auto-match; replaced manual reconciliation entirely.
- Davies Power Platform Environment — 21+ JS web resources, Model-Driven and Canvas apps, Dataverse with field-level security, Power Automate cloud flows; built as sole developer.
- Davies Operations Manual and Employee Handbook — authored and implemented the organization's first comprehensive operations manual and employee handbook from scratch.
- Davies 20th Anniversary Rebrand — designed and implemented new logo, brand identity, and full website; covered in local press as named project lead.

EDUCATION & CREDENTIALS

Bachelor of Arts — Auburn University

Auburn, AL | May 2012

- Fundamentals of Grant Writing I — University of Georgia Professional and Personal Development (October 2022; 24 hrs / 2.4 CEU)
- Certified Diversity Professional (CDP) — Institute for Diversity Certification (2021)

BOARD SERVICE

- Board of Directors — Northwest Georgia Center for Independent Living (September 2023 – Present)
- Board of Directors — Romanos Unidos (2017 – Present)
- City of Rome Special Committee on Housing (2021) — named member alongside the Mayor, City Commissioner, developers, and bankers; contributed to workforce housing policy recommendations.
